DESPATCHES.

Circular.

DOWNING STREET, 25th August, 1890.

SIR,—I have the honour to transmit, herewith, for publication in the Colony under your Government, a copy of the Foreign Jurisdiction Act, 1890 (53 & 54 Victoria, chapter 37), to which I think it right to draw your attention, as some of its provisions bear upon Colonial matters.

For the convenience of your Government I also enclose a copy of an explanatory Memorandum by the Parliamentary Counsel.

I have the honour to be, Sir,
Your most obedient, humble Servant,
KNUTSFORD.

The Officer administering
The Government of Canada.

FOREIGN JURISDICTION CONSOLIDATION BILL.

MEMORANDUM.

The object of this Bill is to consolidate the Foreign Jurisdiction Acts with such amendments only as are necessarily incidental to the process of consolidation. The amendments appear from the following notes.

Section 4.

The words "or held under the authority of Her Majesty" are added to include courts established under the Foreign Jurisdiction Acts.

Section 5.

The Evidence by Commission Act, 1885, has been added to the Acts comprised in the schedule to the Foreign Jurisdiction Act, 1878, as being an enactment amending the Acts in that schedule.

Section 6.

Words have been added giving power to define by Order in Council what is meant by the expression "supreme criminal court."

Section 7.

In consequence of the alteration of the law with respect to penal servitude, sections 5 and 6 of the Foreign Jurisdiction Act, 1843, cannot be exactly reproduced. The new section reproduces in substance the power given by those sections of removing offenders for punishment, but substitutes the machinery provided by the more recent Colonial Prisoners' Removal Act of 1869.

Section 12.

This section sets out the provisions of 28 and 29 Vict., chap. 63, instead of applying them by reference.

Sections 17, 18.

The Acts 24 and 25 Vict., ch. 31, as to territories near Sierra Leone, and 26 and 27 Vict., ch. 35, as to certain portions of South Africa, are practically superseded by section 5 of the Foreign Jurisdiction Act, 1878 (41 and 42 Vict., ch. 67), which would extend to the whole of Africa and not merely to the limited portions mentioned in the above Acts. Accordingly an Order in Council could at any time supersede the provisions of those Acts. The Act 20 and 21 Vict., ch. 75, as to Siam would have been unnecessary if the Order in Council to which it referred had been made since the passing of the latter Act 29 and 30 Vict., ch. 87, s. 1 (reproduced by section 9). The amending Act 33 and 34 Vict., ch. 55, merely declared what court was to exercise jurisdiction under the previous Order in Council. This might now be done by a supplemental Order in Council. Accordingly it is proposed to repeal all these Acts as Acts, but to leave them in force as if they were Orders in Council issued under the present Bill. A precedent for this course may be found in 37 and 38 Vict., ch. 29, s. 3.

Sections 6 and 7 of the Pacific Islanders Protection Act, 1875, (38 and 39 Vict., ch. 51), are in much the same position, but as the powers given by section 6 were mostly to be exercised by Orders in Council, slightly different language is required.

CHAPTER 37.

An Act to consolidate the Foreign Jurisdiction Acts.

[4th August 1890]

WHEREAS by treaty, capitulation, grant, usage, sufferance and other lawful means, Her Majesty the Queen has jurisdiction within divers foreign countries, and it is expedient to consolidate the Acts relating to the exercise of Her Majesty's jurisdiction out of Her dominions;

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. It is and shall be lawful for Her Majesty the Queen to hold, exercise, and enjoy any jurisdiction which Her Majesty now has or may at any time hereafter have within a foreign country in the same and as ample a manner as if Her Majesty had acquired that jurisdiction by the cession or conquest of territory.

2. Where a foreign country is not subject to any government from whom Her Majesty the Queen might obtain jurisdiction in the manner recited by this Act, Her Majesty shall by virtue of this Act have jurisdiction over Her Majesty's subjects for the time being resident in or resorting to that country, and that jurisdiction shall be jurisdiction of Her Majesty in a foreign country within the meaning of the other provisions of this Act.

3. Every act and thing done in pursuance of any jurisdiction of Her Majesty in a foreign country shall be as valid as if it had been done according to the local law then in force in that country.

4. If in any proceeding, civil or criminal, in a court in Her Majesty's dominions or held under the authority of Her Majesty any question arises as to the existence or extent of any jurisdiction of Her Majesty in a foreign country, a Secretary of State shall, on the application of the court, send to the court within a reasonable time his decision on the question, and his decision shall for the purposes of the proceeding be final.

(2.) The court shall send to the Secretary of State, in a document under the seal of the court, or signed by a judge of the court, questions framed so as properly to raise the question, and sufficient answers to those questions shall be returned by the Secretary of State to the court, and those answers shall, on production thereof, be conclusive evidence of the matters therein contained.

5.—(1.) It shall be lawful for Her Majesty the Queen in Council, if She thinks fit, by Order to direct that all or any of the enactments described in the first Schedule to this Act, or any enactments for the time being in force amending or substituted for the same, shall extend, with or without any exceptions, adaptations, or modifications in the Order mentioned, to any foreign country in which for the time being Her Majesty has jurisdiction.

(2.) Thereupon those enactments shall, to the extent of that jurisdiction, operate as if that country were a

British possession, and as if Her Majesty in Council were the Legislature of that possession.

6.—(1.) Where a person is charged with an offence cognizable by a British court in a foreign country, any person having authority derived from Her Majesty in that behalf may, by warrant, cause the person so charged to be sent for trial to any British possession for the time being appointed in that behalf by Order in Council, and upon the arrival of the person so charged in that British possession, such criminal court of that possession as is authorized in that behalf by Order in Council, or if no court is so authorized, the supreme criminal court of that possession, may cause him to be kept in safe and proper custody, and so soon as conveniently may be may inquire of, try, and determine the offence, and on conviction punish the offender according to the laws in force in that behalf within that possession in the same manner as if the offence had been committed within the jurisdiction of that criminal court.

Provided that—

(a.) A person so charged may, before being so sent for trial, tender for examination to a British court in the foreign country where the offence is alleged to have been committed any competent witness whose evidence he deems material for his defence and whom he alleges himself unable to produce at the trial in the British possession:

(b.) In such case the British court in the foreign country shall proceed in the examination and cross-examination of the witness as though he had been tendered at a trial before that court, and shall cause the evidence so taken to be reduced into writing, and shall transmit to the criminal court of the British possession by which the person charged is to be tried a copy of the evidence, certified as correct under the seal of the court before which the evidence was taken, or the signature of a judge of that court:

(c.) Thereupon the court of the British possession before which the trial takes place shall allow so much of the evidence so taken as would have been admissible according to the law and practice of that court, had the witness been produced and examined at the trial, to be read and received as legal evidence at the trial:

(d.) The court of the British possession shall admit and give effect to the law by which the alleged offender would have been tried by the British court in the foreign country in which his offence is alleged to have been committed, so far as that law relates to the criminality of the act alleged to have been committed, or the nature or degree of the offence, or the punishment thereof, if the law differs in those respects from the law in force in that British possession.

(2.) Nothing in this section shall alter or repeal any law, statute, or usage by virtue of which any offence committed out of Her Majesty's dominions may, irrespectively of this Act, be inquired of, tried, determined, and punished within Her Majesty's dominions, or any part thereof.

7. Where an offender convicted before a British court in a foreign country has been sentenced by that court to suffer death, penal servitude, imprisonment, or any other punishment, the sentence shall be carried into effect in such place as may be directed by Order in Council or be determined in accordance with directions given by Order in Council, and the conviction and sentence shall be of the same force in the place in which the sentence is so carried into effect as if the conviction had been made and the sentence passed by a competent court in that place.

8. Where, by Order in Council made in pursuance of this Act, any British court in a foreign country is authorized to order the removal or deportation of any person from that country, that removal or deportation, and any detention for the purposes thereof, according to the provisions of the Order in Council, shall be as lawful as if the order of the court were to have effect wholly within that country.

9. It shall be lawful for Her Majesty the Queen in Council, by Order, to assign to or confer on any court in any British possession, or held under the authority of Her Majesty, any jurisdiction, civil or criminal, original or appellate, which may lawfully by Order in Council be assigned to or conferred on any British court in any foreign country, and to make such provisions and regulations as to Her Majesty in Council seem meet respecting the exercise of the jurisdiction so assigned or conferred, and respecting the enforcement and execution of the judgments, decrees, orders, and sentences of any such court, and respecting appeals therefrom.

10. It shall be lawful for Her Majesty the Queen in Council to revoke or vary any Order in Council made in pursuance of this Act.

11. Every Order in Council made in pursuance of this Act shall be laid before both Houses of Parliament forthwith after it is made, if the Parliament be then in session, and if not, forthwith after the commencement of the then next session of Parliament, and shall have effect as if it were enacted in this Act.

12. (1.) If any Order in Council made in pursuance of this Act as respects any foreign country is in any respect repugnant to the provisions of any Act of any Parliament extending to Her Majesty's subjects in that country, or repugnant to any order or regulation made under the authority of any such Act of Parliament, or having in that country the force and effect of any such Act, it shall be read subject to that Act, order, or regulation, and shall, to the extent of such repugnancy, but not otherwise, be void.

(2.) An Order in Council made in pursuance of this Act shall not be, or be deemed to have been, void on the ground of repugnancy to the law of England unless it is repugnant to the provisions of some such Act of Parliament, order, or regulation as aforesaid.

13. (1.) An action, suit, prosecution, or proceeding against any person for any act done in pursuance or execution or intended execution of this Act, or of any enactment repealed by this Act, or of any Order in Council made under this Act, or of any such jurisdiction of Her Majesty as is mentioned in this Act, or in respect of any alleged neglect or default in the execution of this Act, or of any such enactment, Order in Council, or jurisdiction as aforesaid, shall not lie or be instituted—

(a.) in any court within Her Majesty's dominions, unless it is commenced within six months next after the act, neglect, or default complained of, or in case of a continuance of injury or damage within six months next after the ceasing thereof, or where the cause of action arose out of Her Majesty's dominions within six months after the parties to the action, suit, prosecution, or proceeding have been within the jurisdiction of the court in which the same is instituted; nor

(b.) in any of Her Majesty's courts without Her Majesty's dominions, unless the cause of action arose within the jurisdiction of that court, and the action is commenced within six months next after the act, neglect, or default complained of, or, in case of a continuance of injury or damage, within six months next after the ceasing thereof.

(2.) In any such action, suit, or proceeding, tender of amends before the same was commenced may be pleaded in lieu of or in addition to any other plea. If the action, suit, or proceeding was commenced after such tender, or is proceeded with after payment into court of any money in satisfaction of the plaintiff's claim, and the plaintiff does not recover more than the sum tendered or paid, he shall not recover any costs incurred after such tender or payment, and the defendant shall be entitled to costs, to be taxed as between solicitor and client, as from the time of such tender or payment; but this provision shall not affect costs on any injunction in the action, suit, or proceeding.

14. It shall be lawful for Her Majesty the Queen in Council to make any law that may seem meet for the government of Her Majesty's subjects being in any vessel at a distance of not more than one hundred miles from the coast of China or of Japan, as fully and effectually as any such law might be made by Her Majesty in Council for the government of Her Majesty's subjects being in China or in Japan.

15. Where any Order in Council made in pursuance of this Act extends to persons enjoying Her Majesty's protection, that expression shall include all subjects of the several princes and states in India.

16. In this Act—

The expression "foreign country" means any country or place out of Her Majesty's dominions:

The expression "British court in a foreign country" means any British court having jurisdiction out of Her Majesty's dominions in pursuance of an Order in Council whether made under any Act or otherwise:

The expression "juridiction" includes power.

17. The Acts mentioned in the Second Schedule to this Act may be revoked or varied by Her Majesty by Order in Council.

18. The Acts mentioned in the Third Schedule tc this Act are hereby repealed to the extent in the third column of that schedule mentioned: Provided that,—

(1) Any Order in Council, commission, or instructions made or issued in pursuance of any enactment repealed by this Act, shall, if in force at the passing of this Act, continue in force, until altered or revoked by Her Majesty as if made in pursuance of this Act; and shall, for the purposes of this Act, be deemed to have been made or issued under and in pursuance of this Act; and

(2) Any enactment, Order in Council, or document referring to any enactment repealed by this Act shall be construed to refer to the corresponding enactment of this Act.

19. (1.) This Act may be cited as the Foreign Jurisdiction Act, 1890.

(2.) The Acts whereof the short titles are given in the First Schedule to this Act may be cited by the respective short titles given in that schedule.

NOTICE TO MARINERS.

No. 64 of 1890.

CHANGES IN SIGNAL STATIONS IN THE RIVER AND GULF OF ST. LAWRENCE.

The following changes have been made in the Marine Signal Stations enumerated in Notice to Mariners No. 5 of 1886 :—

1. The semaphore at Rivière du Loup Lighthouse is no longer used, but the station continues as an ordinary flag and telegraph station.

2. The station at Brandy Pots Lighthouse has been discontinued.

3. The flag and ice report station at Etang du Nord Lighthouse, on the Magdalen Islands, has been discontinued.

4. The flag, telegraph and ice report station on the Great Bird Rock, has also been discontinued, and the cable connecting that station with Grosse Isle has been taken up ; the flags have, however, been retained at the Light Station, in case the light keeper requires to signal passing vessels.

5. A cable has been laid from Meat Cove, on the north extremity of Cape Breton Island, to St. Paul's Island, and a flag and telegraph station has been established at the main establishment on St. Paul's Island, about 537 miles from Quebec. Full information can be obtained at this station, during the months of April and May, respecting the state of the ice in the River and Gulf.

6. The several stations on Sable Island, off the south-east coast of Nova Scotia, have been connected by telephone for the sake of facilitating communication between the different parts of the island.

7. The use of semaphores at all stations has been abandoned in consequence of the preference of vessels for the flag code.

This Notice affects Admiralty Charts Nos. 232*a*, 302, 306 to 315, 1134, 1147, 1149, 1150, 2171, 2516, 2666 and 2727, and Canadian List of Lights Nos. 7*a*, 9*a*, 10, 13, 32, 36 and 50.

The Rules and Regulations by which are governed all the Marine Signalling Stations in the River and Gulf are here reproduced for the information of Mariners.

RULES AND REGULATIONS.

1st. Vessels exhibiting their distinctive numbers will have their names transmitted to the local press (for publication only) *free of charge.*

2nd. Despatches to or from vessels within signalling distance, by the International Code, either by flags or semaphores, will be duly delivered as addressed.

3rd. Despatches will be charged for at the ordinary telegraph rates, between stations ; but no charge will be made for signalling between coast stations and vessels at sea.

4th. Despatches may (by special request) be delivered in cipher, otherwise they will be transmitted in ordinary language.

5th. Vessels may obtain information as to winds, weather and ice at any signal station within the River and Gulf of St. Lawrence *free of charge.*

6th. The stations on Anticosti, Amherst, Grosse Isle and St. Paul Islands, at Meat Cove and Cape Ray, are kept specially informed respecting the state of navigation in the River and Gulf during the months of April and May.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 6th December, 1890. 26–3

NOTICE TO MARINERS.

No. 66 of 1890.

I. NEWCASTLE LIGHTHOUSE.

A lighthouse established by the Newcastle Harbour Company at Newcastle Harbour, on the north shore of Lake Ontario, in the County of Durham, and Province of Ontario, was put in operation on the opening of navigation this year.

This harbour is now located at the point marked on Admiralty Charts "Bond Head," but that name is not now used.

The harbour was originally a marsh through which ran a stream ; the entrance is protected by two breakwater piers, and the lighthouse stands on the outer end of the more easterly one.

Lat. N. 43° 53' 35"
Long. W. 78° 34' 0"

The light is fixed white, elevated 29 feet above the level of the lake, and should be visible 10 miles from all points of approach.

The illuminating apparatus is dioptric, of small size.

The lighthouse consists of a small wooden tower rising from the roof of a storehouse built on the end of the wharf, and is surmounted by an iron lantern ; the whole painted white.

The height from the top of the wharf to the vane on the lantern is 28 feet.

This light replaces a less powerful light of the same description, which has been maintained by the Newcastle Harbour Company since 1847, and will in future be regularly maintained by the Company similarly to Government lights on the lakes.

This notice affects Admiralty Charts Nos. 797 and 1152, and the substance of it should be entered in the Canadian List of Lights under the No. 179*a*.

II. CHANGE IN THE ORDER AND CHARACTERISTICS OF THE LIGHT AT WINDMILL POINT, HEAD OF DETROIT RIVER, MICHIGAN.

Notice is given by the United States of America Lighthouse Board that, on or about December 7th, 1890, the light at Windmill Point, head of Detroit River, Michigan, will be changed from a 5th-order fixed white light, varied by a red flash every 90 seconds, to a fixed white light of the 4th-order, varied by a red flash every 15 seconds.

This notice affects Admiralty Charts Nos. 330, 332, 490 and 678.

III. RE-ESTABLISHMENT OF THE LIGHT AT MARQUETTE BREAKWATER, LAKE SUPERIOR, MICHIGAN.

Notice is also given by the same Board that, on or about December 4th, 1890, the fixed red light of the 6th-order will be re-established in a structure recently erected on the south end of the breakwater at Marquette. Lake Superior, Michigan. Also that, on the same date, the temporary light on the breakwater will be discontinued.

The light will, as heretofore, illuminate 180° of the horizon.

The focal plane is 35 feet above mean lake-level. The light should be seen, in clear weather, about $7\frac{1}{3}$ miles.

The structure consists of a brown skeleton iron tower, square in plan, with square architrave and cornice, surmounted by a circular iron parapet, 10 feet in diameter and 7 feet 6 inches high, bearing the lantern gallery and an octagonal black lantern.

This notice affects Admiralty Chart No. 320.

WM. SMITH,
Deputy Minister of Marine.

The horn will sound blasts of nine seconds' duration with intervals of twenty-eight seconds between them.

The fog alarm building stands close to the lighthouse tower, on the lake side, and is of wood, painted white, with a brown roof.

The horn is elevated 16 feet above the level of the lake.

The Bell Buoy previously moored off this ledge went adrift in 1880, and no signal buoy has since been maintained at that point.

This notice affects Admiralty Charts Nos. 352, 2538, 2656 and 2670, and the substance of it should be entered in the Canadian List of Lights and Fog Signals under the No. 439*a*.

II. CAPE NORMAN FOG ALARM.

The steam Fog Horn at Cape Norman, on the Newfoundland side of the Strait of Belle Isle, was put in operation on the 4th August last, in accordance with previous Notices to Mariners, and gives blasts of 5 seconds' duration, with intervals of 35 seconds between them.

Lat. N.	51°	38'	7"

DÉPÊCHES.

Circulaire.

DOWNING STREET, 25 août 1890.

MONSIEUR,—J'ai l'honneur de vous transmettre, afin qu'elle soit publiée dans la colonie sous notre gouvernement, copie de l'Acte de juridiction étrangère, 1890 (53-54 V., c. 37) sur lequel je crois à propos d'attirer votre attention, vu que quelques-unes de ses dispositions se rapportent aux affaires coloniales.

Pour l'usage de votre gouvernement je joins aussi copie d'un mémoire explicatif par le conseil du parlement.

J'ai l'honneur d'être, monsieur,
Votre obéissant serviteur,
KNUTSFORD.

A l'administrateur
du gouvernement du Canada.

BILL DE REFONTE DES LOIS CONCERNANT LA JURIDICTION ÉTRANGÈRE.

MÉMOIRE.

L'objet de ce projet de loi est de refondre les Actes de juridiction étrangère, avec telles modifications seulement qui découlent nécessairement du procédé de refonte. Les modifications sont expliquées dans les notes ci-dessous.

Article 4.

Les mots " ou tenu sous l'autorité de Sa Majesté " sont ajoutés afin de comprendre les tribunaux établis en vertu des Actes de juridiction étrangère.

Article 4.

L'Acte de la preuve par commission, 1885, a été ajouté aux actes compris dans l'annexe de l'Acte de juridiction étrangère, 1878, comme étant une disposition modifiant les actes de la dite annexe.

Article 6.

Des mots ont été ajoutés donnant pouvoir de définir par arrêté en conseil ce qu'on entend par l'expression " cour criminelle suprême."

Article 7.

En conséquence du changement apporté à la loi relativement aux travaux forcés, les articles 5 et 6 de l'Acte de juridiction étrangère, 1843, ne peuvent être exactement reproduits. Le nouvel article reproduit en substance le pouvoir donné par ces articles de transférer les délinquants pour punition, mais substitut le rouage établi par le plus récent Acte de la translation des détenus coloniaux de 1869.

Article 12.

Cet article énonce les dispositions de 28-29 V., c. 63, au lieu de les appliquer par renvoi.

Articles 17 *et* 18.

Les actes 24-25 Vic. ch. 31, quant aux territoires près de Sierra Leone, et 26-27 Vic. ch. 75, quant à certaines parties de l'Afrique du Sud, sont pratiquement remplacées par l'article 5 de l'Acte de juridiction étrangère, 1878 (41-42 Vic. ch. 67), qui s'étendrait à toute l'Afrique et non pas seulement aux petites parties mentionnées dans les susdits actes. En conséquence un arrêté en conseil pourrait en aucun temps remplacer les dispositions de ces actes. L'acte 20-21 Vic. ch. 75, quant à Siam, aurait été inutile si l'arrêté en conseil auquel il réfère avait été passé depuis l'adoption du dernier acte 29-30 Vic. ch. 89, art. 1 (reproduit par l'article 9.) L'acte modificatif 33-34 Vic. ch. 55, déclare simplement quel tribunal doit exercer juridiction en vertu des arrêtés en conseil antérieurs. Ceci pourrait être fait au moyen d'un arrêté en conseil supplémentaire. En conséquence il est proposé d'abroger tous ces actes comme tels, mais de les laisser en vigueur comme s'ils étaient des arrêtés en conseil passés en vertu du présent projet de loi. On peut trouver un précédent pour cette manière d'agir dans 37-38 Vic. ch. 29, art. 3.

Les articles 6 et 7 de l'Acte pour la protection des insulaires du Pacifique, 1875 (38-39 Vic. ch. 51), sont presque identiques, mais vu que les pouvoirs conférés par l'article 6 doivent pour la plupart être exercés au moyen d'arrêtés en conseil, il exige un langage un peu différent.

ARRANGEMENT DES ARTICLES.

Art.

1. Exercice de juridiction en pays étranger.
2. Exercice de juridiction sur des sujets anglais dans des pays qui n'ont pas de gouvernement réguliers.
3. Validité des actes faits en conformité de la juridiction.

CHAPITRE 37.

Acte à l'effet de refondre les Actes concernant la juridiction étrangère.

[4 août 1890.]

CONSIDÉRANT que par traité, capitulation, cession, usage, tolérance et autres moyens légitimes, Sa Majesté la Reine a juridiction dans divers pays étrangers, et qu'il est à propos de refondre les actes concernant l'exercice de la juridiction de Sa Majesté en dehors de Ses possessions :

Qu'il soit statué, par Sa Très Excellente Majesté la Reine, par et avec l'avis et le consentement des Lords spirituels et temporels et des Communes assemblés en ce présent parlement, et par son autorité, comme suit :

1. Il est et il sera loisible à Sa Majesté la Reine de posséder, exercer et jouir de toute juridiction que Sa Majesté a actuellement ou qu'Elle pourra en tout temps à l'avenir avoir dans un pays étranger, aussi amplement et efficacement que si Sa Majesté avait acquis cette juridiction par la cession ou la conquête de territoire.

2. Quand un pays étranger n'est pas soumis à un gouvernement duquel Sa Majesté la Reine pourrait obtenir juridiction en la manière citée au présent acte, Sa Majesté aura, en vertu du présent acte, juridiction sur les sujets de Sa Majesté résidant alors dans ce pays-là ou le fréquentant, et cette juridiction signifiera juridiction de Sa Majesté dans un pays étranger selon l'intention des autres dispositions du présent acte.

3. Tout acte et chose fait en conformité de toute juridiction de Sa Majesté dans un pays étranger, sera aussi valable que s'il avait été fait suivant la loi locale alors en vigueur dans ce pays-là.

4. Si, dans toute poursuite, au civil ou au criminel, devant un tribunal des possessions de Sa Majesté, ou tenu sous l'autorité de Sa Majesté, un doute est soulevé quant à l'existence ou l'étendue de toute juridiction de Sa Majesté dans un pays étranger, un secrétaire d'Etat transmettra au tribunal, à la demande de ce tribunal, et sous un délai raisonnable, sa décision sur la question, et sa décision sera finale pour toutes les fins de cette poursuite.

(2.) Le tribunal enverra au secrétaire d'Etat, dans un document revêtu du sceau du tribunal, ou signé par un juge du tribunal, des questions dressées de manière à bien exposer le cas, et des réponses suffisantes à ces questions seront renvoyées au tribunal par le secrétaire d'Etat, et ces réponses seront, lors de leur production, une preuve concluante des matières y contenues.

5.—(1) Il sera loisible à Sa Majesté la Reine en conseil, si Elle le juge à propos, d'ordonner par arrêté que tous et chacun des statuts décrits dans la première annexe du présent acte, ou tout statut alors en vigueur les modifiant ou les remplaçant, s'étendront avec ou sans exceptions, adaptations ou modifications dans l'arrêté mentionné, à tout pays étranger dans lequel Sa Majesté a alors juridiction.

(2) Là-dessus ces statuts auront, selon la portée de cette juridiction, le même effet que si ce pays était une possession anglaise, et que si Sa Majesté en conseil était la législature de cette possession.

6.—(1) Quand une personne est accusée d'un délit puni par un tribunal anglais dans un pays étranger, toute personne autorisée à cet effet par Sa Majesté pourra, par mandat, envoyer la personne ainsi accusée dans toute possession anglaise alors désignée à cet effet par arrêté en conseil pour y être jugée, et à l'arrivée de la personne ainsi accusée dans cette possession anglaise, la cour criminelle de cette possession qui est autorisée à cet effet par arrêté en conseil, ou, s'il n'existe pas de tribunal ainsi autorisé, la cour criminelle suprême de cette possession, pourra la faire détenir dans un lieu sûr, et aussitôt que la chose pourra convenablement se faire, instruira, jugera et déterminera le délit, et sur conviction punira le délinquant suivant les lois en vigueur à cet effet dans cette possession de la même manière que si le délit avait été commis dans la juridiction de cette cour criminelle.

Pourvu que—

(*a.*) Toute personne ainsi accusée pourra, avant d'être ainsi envoyée pour subir son procès, offrir pour être interrogé devant un tribunal anglais dans le pays étranger où le délit est censé avoir été commis, tout témoin compétent dont le témoignage lui paraît essentiel à sa défense, et qu'il allègue ne pouvoir produire lui-même au procès dans la possession anglaise :

(*b.*) Dans ce cas le tribunal anglais dans le pays étranger procédera à l'interrogatoire et contre-interrogatoire du témoin de même que s'il avait été produit dans une cause devant ce tribunal, et fera prendre par écrit le témoignage ainsi rendu, et transmettra à la cour criminelle de la possession anglaise qui doit juger la personne accusée, une copie du témoignage certifiée exacte sous le sceau du tribunal devant lequel le témoignage a été rendu, ou la signature d'un juge de ce tribunal :

(*c.*) Là-dessus le tribunal de la possession anglaise devant lequel le procès s'instruit, permettra que telle partie du témoignage ainsi rendu qui serait admissible suivant la loi et la pratique de ce tribunal, si le témoin avait été produit et interrogé au procès, soit lue et reçue comme preuve au procès :

(*d.*) Le tribunal de la possession anglaise admettra et donnera cours à la loi en vertu de laquelle le prévenu aurait été jugé par le tribunal anglais dans le pays étranger où le délit est censé avoir été commis, en tant que cette loi concerne la criminalité de l'acte censé avoir été commis, ou la nature ou degré du délit, ou sa punition, si la loi diffère sous ces rapports de la loi en vigueur dans cette possession anglaise.

(2.) Rien dans le présent article ne changera ni n'altérera aucune loi, statut, ou usage en vertu duquel un délit commis en dehors des possessions de Sa Majesté pourrait, si le présent acte n'avait pas été passé, être instruit, jugé, déterminé et puni dans les possessions de Sa Majesté, ou toute partie d'icelle.

7. Quand un délinquant trouvé coupable devant un tribunal anglais dans une possession anglaise a été condamné par ce tribunal à la peine de mort, aux travaux forcés, à l'emprisonnement, ou à toute autre peine, la sentence sera mise à exécution à l'endroit qui sera fixé par arrêté en conseil ou déterminé en conformité d'ordres donnés par arrêté en conseil, et la conviction et sentence seront du même degré à l'endroit où la sentence est ainsi exécutée que si la conviction avait été obtenue et la sentence prononcée par un tribunal compétent de cet endroit.

8. Lorsque, par arrêté en conseil passé en conformité du présent acte, un tribunal anglais dans un pays étranger est autorisé à ordonner la translation ou la déportation d'une personne de ce pays, cette translation ou cette déportation, et toute détention à cette fin, conformément aux dispositions de l'arrêté en conseil, seront aussi légaux que si l'ordre du tribunal devait être exécuté entièrement dans le dit pays.

9. Il sera loisible à Sa Majesté la Reine en conseil, par arrêté, d'assigner ou de conférer à tout tribunal dans une possession anglaise, ou tenu sous l'autorité de Sa Majesté, toute juridiction, au civil ou au criminel, de première instance ou d'appel, qui peut légalement être assignée ou conférée à un tribunal anglais dans un

pays étranger par arrêté en conseil, et d'établir telles dispositions et tels règlements que Sa Majesté en conseil jugera à propos concernant l'exercice de la juridiction ainsi assignée ou conférée, et concernant la mise en vigueur et l'exécution des jugements, décrets, ordres et sentences de tout tel tribunal, et concernant les appels de ce tribunal.

10. Il sera loisible à Sa Majesté la Reine en conseil de révoquer ou modifier tout arrêté en conseil passé en conformité du présent acte.

11. Chaque arrêté en conseil passé en conformité du présent acte sera soumis aux deux Chambres du parlement aussitôt après sa passation, si le parlement siège alors, et sinon, immédiatement après le commencement de la session alors ensuivante du parlement, et aura le même effet que s'il avait été inséré dans le présent acte.

12.—(1.) Si un arrêté en conseil rendu en conformité du présent acte au sujet d'un pays étranger est incompatible sous quelque rapport avec les dispositions d'un acte quelconque du parlement applicable aux sujets de Sa Majesté dans le dit pays, ou incompatible avec tout ordre ou règlement fait sous l'autorité de tout tel acte du parlement, ou ayant dans le dit pays la force et vigueur de tout tel acte, il sera interprété dans le sens de tel acte, ordre ou règlement, et sera nul et non avenu suivant le degré de telle incompatibilité, mais non autrement.

(2.) Un arrêté en conseil fait en conformité du présent acte ne sera ni ne sera censé être nul pour cause d'incompatibilité avec la loi d'Angleterre, sauf s'il vient en conflit avec les dispositions de quelque acte du parlement, ordre ou règlement comme susdit.

13.—(1.) Une action, poursuite ou procédure contre une personne pour un acte fait en conformité ou en exécution ou en exécution projetée du présent acte, ou d'un statut abrogé par le présent acte, ou d'un arrêté en conseil fait en vertu du présent acte, ou de telle juridiction de Sa Majesté spécifiée dans le présent acte, ou au sujet de négligence ou défaut supposé dans l'exécution du présent acte, ou de tout tel statut, arrêté en conseil ou juridiction comme susdit, ne sera du ressort ni ne sera intentée—

(*a.*) dans aucun tribunal dans les possessions de Sa Majesté, à moins qu'elle ne soit commencée sous les six mois qui suivront l'acte, la négligence ou le défaut dont on se plaint, ou, dans le cas d'une continuation de torts ou de dommages, sous les six mois qui suivront immédiatement la cessation de ces torts ou dommages, ou, lorsque la cause de l'action a pris naissance en dehors des possessions de Sa Majesté, sous les six mois après que les parties à l'action, la poursuite ou procédure ont été dans la juridiction du tribunal dans lequel a été intentée la cause ; ni—

(*b*) Dans aucun des tribunaux de Sa Majesté, en dehors des possessions de Sa Majesté, à moins que la cause de l'action n'ait pris naissance dans la juridiction de ce tribunal, et que l'action ne soit commencée sous les six mois immédiatement après l'acte, la négligence ou défaut dont on se plaint, ou, dans le cas de continuation de torts ou dommages, sous les six mois après qu'ils auront cessé.

(2.) Dans toute telle action, poursuite ou procédure, l'offre de réparation avant le commencement du procès pourra être plaidée au lieu et en sus de toute autre défense. Si l'action, poursuite ou procédure était commencée avant cette offre, ou est continuée après le paiement en cour de tous deniers en satisfaction de la réclamation du plaignant, et si le plaignant ne recouvre pas plus que la somme offerte ou payée, il n'aura pas droit à aucuns frais encourus après cette offre ou paiement, et le défendeur aura droit aux frais, qui seront taxés comme entre solliciteur et client, à compter de l'époque de cette offre ou paiement ; mais la présente disposition n'affectera pas les frais d'injonction dans une action, poursuite ou procédure.

14. Il sera loisible à Sa Majesté la Reine en conseil de faire toute loi qui paraîtra convenable pour la gouverne des sujets de Sa Majesté qui se trouvent sur tout navire à une distance de pas plus de cent milles des côtes de la Chine ou du Japon, aussi amplement et effectivement que toute telle loi pourrait être faite par Sa Majesté en conseil pour la gouverne des sujets de Sa Majesté se trouvant en Chine ou au Japon.

15. Quand un arrêté en conseil passé en conformité du présent acte s'étend à des personnes jouissant de la protection de Sa Majesté, cette expression comprendra tous sujets des divers princes et états de l'Inde.

16. Dans le présent acte—

L'expression " pays étranger " signifie tout pays ou endroit en dehors des possessions de Sa Majesté ;

L'expression " tribunal anglais dans un pays étranger " signifie tout tribunal anglais ayant juridiction en dehors des possessions de Sa Majesté en vertu d'un arrêté en conseil passé en conformité d'un acte ou autrement ;

L'expression " juridiction " comprend pouvoir.

17. Les actes mentionnés dans la deuxième annexe du présent acte pourront être abrogés ou modifiés par Sa Majesté par arrêté en conseil.

18. Les actes mentionnés dans la troisième annexe du présent acte sont par le présent abrogés tel que mentionné dans la troisième colonne de la dite annexe: Pourvu que—

(1.) Tout arrêté en conseil, commission ou instructions passé, donnée ou émises en conformité de tout statut abrogé par le présent acte, et qui seront en vigueur lors de la passation du présent acte, continueront en vigueur jusqu'à ce qu'ils soient altérés ou révoqués par Sa Majesté, comme s'ils avaient été faits en conformité du présent acte ; et pour les fins du présent acte, seront censés avoir été passé, donné ou émises en vertu et en conformité du présent acte ; et

(2.) Tout statut, arrêté en conseil ou document se rapportant à un statut abrogé par le présent acte, sera censé se rapporter au statut correspondant du présent acte.

19.—(1.) Le présent acte pourra être cité sous le titre de " Acte de juridiction étrangère, 1890."

HOTEL DU GOUVERNEMENT À OTTAWA,

Jeudi, le 18e jour de décembre 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il est pourvu par la clause 2 des Règlements concernant la vente de terres fédérales contenant des minéraux autres que la houille, établis par l'arrêté en conseil du 9e jour de novembre 1889, chapitre 99 des Arrêtés en conseil refondus du Canada, qu'aucune concession minière ou emplacement minier ne sera accordé avant la découverte d'une veine, d'un filon ou gisement de minerai ou métal dans les limites de la concession ou de l'emplacement.

Et considérant qu'il est jugé que cette disposition pourrait avoir l'effet de retarder le développement des terres supposées contenir du pétrole,—

A ces causes il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par "l'Acte des terres fédérales," chapitre 54 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que le dit article ainsi que l'article 2 de l'arrêté en conseil du 5e jour d'octobre 1887, établissant des règlements pour la vente de terrains miniers autres que des terrains houillers, soient et ils sont par le présent modifiés de manière qu'un requérant, qui s'est d'ailleurs conformé aux exigences des règlements, pourra obtenir une inscription pour une concession en par lui faisant une déclaration sous serment que d'après les indices il croit véritablement qu'il existe du pétrole sur la concession demandée, la concession ne devant pas, toutefois, être vendue au requérant sous la période de cinq ans à compter de la date de l'inscription prescrite par les règlements, sauf s'il peut, en sus de s'être conformé aux exigences susdites, prouver à la satisfaction du ministre de l'Intérieur qu'il a sur cette concession au moins un puits de pétrole en opération, et qu'il en retire du pétrole en quantités rémunératives ; pourvu aussi que si, à l'expiration de cinq ans après la date à laquelle le requérant obtient une inscription, il ne peut fournir la dite preuve, l'inscription sera annulée, et les droits et privilèges de la personne obtenant l'inscription cessera alors et là à l'égard de cette concession.

Greffier du Conseil privé.

AVIS AUX MARINS.

N° 64 de 1890.

CHANGEMENTS AUX STATIONS DE SIGNAUX DANS LE FLEUVE ET GOLFE SAINT-LAURENT.

Les changements suivants ont été apportés aux stations de signaux maritimes énumérées dans l'Avis aux Marins n° 5 de 1886 :—

1. Le sémaphore au phare de la Rivière-du-Loup n'est plus en usage, mais la station continue comme station de pavillons et de télégraphe.
2. La station au phare des Pots-à-l'Eau-de-vie a été discontinuée.
3. La station de pavillons et d'avis des glaces au phare de l'Etang-du-Nord, sur les îles de la Madeleine, a été discontinuée.
4. La station de pavillons, de télégraphe et d'avis des glaces sur le Gros Rocher des Oiseaux, a aussi été discontinuée, et le câble qui relie cette station avec la Grosse-Isle a été relevé ; toutefois les pavillons ont été retenus au phare, pour le cas où le gardien du phare aurait besoin de signaler des navires.
5. Un câble a été posé entre Meat Cove, sur l'extrémité nord de l'île du Cap-Breton, et l'île Saint-Paul, et une station de pavillons et de télégraphe a été établie à l'établissement principal sur l'île Saint-Paul, à environ 537 milles de Québec. On peut obtenir à cette station tous les renseignements voulus, pendant les mois d'avril et mai, touchant l'état de la glace dans le fleuve et le golfe.
6. Les diverses stations sur l'île de Sable, au large de la côte sud-est de la Nouvelle-Ecosse, ont été reliées par téléphone dans le but de faciliter les communications entre les différentes parties de l'île.
7. L'usage de sémaphores à toutes les stations a été abandonné, vu que les navires préféraient le code de signaux par pavillons.

Cet avis affecte des cartes de l'Amirauté Nos 232*a*, 302, 306 à 315, 1134, 1147, 1149, 1150, 2171, 2516, 2666 et 2727, et la Liste des phares canadiens Nos 7*a*, 9*a*, 10, 13, 32, 36 et 50.

Les règles et règlements pour la gouverne de toutes les stations de signaux maritimes dans le fleuve et le golfe, sont ici reproduits pour la commodité des marins.

RÈGLES ET RÈGLEMENTS.

1. Les noms des navires qui exhibent leurs numéros distinctifs seront transmis à la presse locale (pour publication seulement) *gratis*.
2. Les dépêches envoyées à ou par des navires à distance convenable, par le Code International, soit par pavillons ou sémaphores, seront dûment transmises telles qu'adressées.
3. Les taux ordinaires de télégraphe seront exigés pour les dépêches entre stations ; mais il ne sera rien exiger pour signaler entre des stations de côte et des navires en mer.
4. Les dépêches pourront (sur demande spéciale) être livrées en chiffre, autrement elles seront transmises en langage ordinaire.
5. Les navires pourront obtenir des renseignements quant au vent, la température et la glace à toute station de signaux dans le fleuve et le golfe Saint-Laurent *gratis*.
6. Les stations sur les îles d'Anticosti, Amherst, Grosse-Ile et Saint-Paul, à Meat Cove et au Cap Ray, sont spécialement tenues au courant de l'état de la navigation dans le fleuve et le golfe pendant les mois d'avril et mai.

Sous-ministre de la Marine.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.
JOHN GEORGE BOURINOT,

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

NOTICE TO MARINERS.

No. 64 of 1890.

CHANGES IN SIGNAL STATIONS IN THE RIVER AND GULF OF ST. LAWRENCE.

The following changes have been made in the Marine Signal Stations enumerated in Notice to Mariners No. 5 of 1886 :—

1. The semaphore at Rivière du Loup Lighthouse is no longer used, but the station continues as an ordinary flag and telegraph station.

2. The station at Brandy Pots Lighthouse has been discontinued.

3. The flag and ice report station at Etang du Nord Lighthouse, on the Magdalen Islands, has been discontinued.

4. The flag, telegraph and ice report station on the Great Bird Rock, has also been discontinued, and the cable connecting that station with Grosse Isle has been taken up ; the flags have, however, been retained at the Light Station, in case the light keeper requires to signal passing vessels.

5. A cable has been laid from Meat Cove, on the north extremity of Cape Breton Island, to St. Paul's Island, and a flag and telegraph station has been established at the main establishment on St. Paul's Island, about 537 miles from Quebec. Full information can be obtained at this station, during the months of April and May, respecting the state of the ice in the River and Gulf.

6. The several stations on Sable Island, off the south-east coast of Nova Scotia, have been connected by telephone for the sake of facilitating communication between the different parts of the island.

7. The use of semaphores at all stations has been abandoned in consequence of the preference of vessels for the flag code.

This Notice affects Admiralty Charts Nos. 232*a*, 302, 306 to 315, 1134, 1147, 1149, 1150, 2171, 2516, 2666 and 2727, and Canadian List of Lights Nos. 7*a*, 9*a*, 10, 13, 32, 36 and 50.

The Rules and Regulations by which are governed all the Marine Signalling Stations in the River and Gulf are here reproduced for the information of Mariners.

RULES AND REGULATIONS.

1st. Vessels exhibiting their distinctive numbers will have their names transmitted to the local press (for publication only) *free of charge*.

2nd. Despatches to or from vessels within signalling distance, by the International Code, either by flags or semaphores, will be duly delivered as addressed.

3rd. Despatches will be charged for at the ordinary telegraph rates, between stations ; but no charge will be made for signalling between coast stations and vessels at sea.

4th. Despatches may (by special request) be delivered in cipher, otherwise they will be transmitted in ordinary language.

5th. Vessels may obtain information as to winds, weather and ice at any signal station within the River and Gulf of St. Lawrence *free of charge*.

6th. The stations on Anticosti, Amherst, Grosse Isle and St. Paul Islands, at Meat Cove and Cape Ray, are kept specially informed respecting the state of navigation in the River and Gulf during the months of April and May.

Deputy Minister of Marine.

NOTICE TO MARINERS.

No. 66 of 1890.

I. NEWCASTLE LIGHTHOUSE.

A lighthouse established by the Newcastle Harbour Company at Newcastle Harbour, on the north shore of Lake Ontario, in the County of Durham, and Province of Ontario, was put in operation on the opening of navigation this year.

This harbour is now located at the point marked on Admiralty Charts "Bond Head," but that name is not now used.

The harbour was originally a marsh through which ran a stream ; the entrance is protected by two breakwater piers, and the lighthouse stands on the outer end of the more easterly one.

Lat. N.	43°	53'	35"
Long. W.	78°	34'	0"

The light is fixed white, elevated 29 feet above the level of the lake, and should be visible 10 miles from all points of approach.

The illuminating apparatus is dioptric, of small size.

The lighthouse consists of a small wooden tower rising from the roof of a storehouse built on the end of the wharf, and is surmounted by an iron lantern ; the whole painted white.

The height from the top of the wharf to the vane on the lantern is 28 feet.

This light replaces a less powerful light of the same description, which has been maintained by the Newcastle Harbour Company since 1847, and will in future be regularly maintained by the Company similarly to Government lights on the lakes.

This notice affects Admiralty Charts Nos. 797 and 1152, and the substance of it should be entered in the Canadian List of Lights under the No. 179*a*.

II. CHANGE IN THE ORDER AND CHARACTERISTICS OF THE LIGHT AT WINDMILL POINT, HEAD OF DETROIT RIVER, MICHIGAN.

Notice is given by the United States of America Lighthouse Board that, on or about December 7th, 1890, the light at Windmill Point, head of Detroit River, Michigan, will be changed from a 5th-order fixed white light, varied by a red flash every 90 seconds, to a fixed white light of the 4th-order, varied by a red flash every 15 seconds.

This notice affects Admiralty Charts Nos. 330, 332, 490 and 678.

III. RE-ESTABLISHMENT OF THE LIGHT AT MARQUETTE BREAKWATER, LAKE SUPERIOR, MICHIGAN.

Notice is also given by the same Board that, on or about December 4th, 1890, the fixed red light of the 6th-order will be re-established in a structure recently erected on the south end of the breakwater at Marquette. Lake Superior, Michigan. Also that, on the same date, the temporary light on the breakwater will be discontinued.

The light will, as heretofore, illuminate 180° of the horizon.

The focal plane is 35 feet above mean lake-level. The light should be seen, in clear weather, about 7⅓ miles.

The structure consists of a brown skeleton iron tower, square in plan, with square architrave and cornice, surmounted by a circular iron parapet, 10 feet in diameter and 7 feet 6 inches high, bearing the lantern gallery and an octagonal black lantern.

This notice affects Admiralty Chart No. 320.

WM. SMITH,
Deputy Minister of Marine.

Department of Marine,
Ottawa, Canada, 16th December, 1890.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 26-3

PUBLIC Notice is hereby given that under "The Companies Act" supplementary letters patent have been issued under the Great Seal of Canada, bearing date 24th day of December, 1890, whereby the total capital stock of "The Dominion Cotton Mills Company (Limited)" is increased from one hundred thousand dollars to five million dollars.

Dated at the office of the Secretary of State of Canada, this 26th day of December, 1890.

J. A. CHAPLEAU,

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence, en vertu des pouvoirs qui lui sont conférés par les chapitres 54 et 56 des Statuts Revisés, intitulés respectivement "Acte des terres fédérales," et "Acte concernant certaines terres publiques dans la Colombie-Britannique," et par et avec l'avis du Conseil Privé de la Reine pour le Canada, d'ordonner que le par. *c* de l'article 2 des Règlements des bois de construction approuvés par l'arrêté en conseil du 17e jour de septembre 1889, établissant des règlements au sujet des bois sur les terres fédérales, chapitre 98 des Arrêtés en conseil refondus du Canada, soit et il est par le présent amendé de manière que les porteurs de licences auront le choix soit de payer le droit régalien de cinq pour cent y spécifié sur la valeur du bois sous forme de billots, soit à l'époque à laquelle le bois lorsque fabriqué est vendu ; et que si les droits sont payés comme dit en premier lieu, le droit régalien sera calculé sur le prix moyen reçu pour le bois pendant les trois mois précédant immédiatement la date à laquelle les droits sont payés.

JOHN J. McGEE,

25-4 Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA,

Jeudi, le 18e jour de décembre 1890.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT qu'il est pourvu par la clause 2 des Règlements concernant la vente de terres fédérales contenant des minéraux autres que la houille, établis par l'arrêté en conseil du 9e jour de novembre 1889, chapitre 99 des Arrêtés en conseil refondus du Canada, qu'aucune concession minière ou emplacement minier ne sera accordé avant la découverte d'une veine, d'un filon ou gisement de minerai ou métal dans les limites de la concession ou de l'emplacement.

Et considérant qu'il est jugé que cette disposition pourrait avoir l'effet de retarder le développement des terres supposées contenir du pétrole,—

A ces causes il plaît à Son Excellence, en vertu de l'autorité qui lui est conférée par "l'Acte des terres fédérales," chapitre 54 des Statuts Revisés, et par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que le dit article ainsi que l'article 2 de l'arrêté en conseil du 5e jour d'octobre 1887, établissant des règlements pour la vente de terrains miniers autres que des terrains houillers, soient et ils sont par le présent modifiés de manière qu'un requérant, qui s'est d'ailleurs conformé aux exigences des règlements, pourra obtenir une inscription pour une concession en par lui faisant une déclaration sous serment que d'après les indices il croit véritablement qu'il existe du pétrole sur la concession demandée, la concession ne devant pas, toutefois, être vendue au requérant sous la période de cinq ans à compter de la date de l'inscription prescrite par les règlements, sauf s'il peut, en sus de s'être conformé aux exigences susdites, prouver à la satisfaction du ministre de l'Intérieur qu'il a sur cette concession au moins un puits de pétrole en opération, et qu'il en retire du pétrole en quantités rémunératives ; pourvu aussi que si, à l'expiration de cinq ans après la date à laquelle le requérant obtient une inscription, il ne peut fournir la dite preuve, l'inscription sera annulée, et les droits et privilèges de la personne obtenant l'inscription cessera alors et là à l'égard de cette concession.

AVIS AUX MARINS.

N° 64 de 1890.

CHANGEMENTS AUX STATIONS DE SIGNAUX DANS LE FLEUVE ET GOLFE SAINT-LAURENT.

Les changements suivants ont été apportés aux stations de signaux maritimes énumérées dans l'Avis aux Marins n° 5 de 1886 :—

1. Le sémaphore au phare de la Rivière-du-Loup n'est plus en usage, mais la station continue comme station de pavillons et de télégraphe.

2. La station au phare des Pots-à-l'Eau-de-vie a été discontinuée.

3. La station de pavillons et d'avis des glaces au phare de l'Etang-du-Nord, sur les îles de la Madeleine, a été discontinuée.

4. La station de pavillons, de télégraphe et d'avis des glaces sur le Gros Rocher des Oiseaux, a aussi été discontinuée, et le câble qui relie cette station avec la Grosse-Isle a été relevé ; toutefois les pavillons ont été retenus au phare, pour le cas où le gardien du phare aurait besoin de signaler des navires.

5. Un câble a été posé entre Meat Cove, sur l'extrémité nord de l'île du Cap-Breton, et l'île Saint-Paul, et une station de pavillons et de télégraphe a été établie à l'établissement principal sur l'île Saint-Paul, à environ 537 milles de Québec. On peut obtenir à cette station tous les renseignements voulus, pendant les mois d'avril et mai, touchant l'état de la glace dans le fleuve et le golfe.

6. Les diverses stations sur l'île de Sable, au large de la côte sud-est de la Nouvelle-Ecosse, ont été reliées par téléphone dans le but de faciliter les communications entre les différentes parties de l'île.

7. L'usage de sémaphores à toutes les stations a été abandonné, vu que les navires préféraient le code de signaux par pavillons.

Cet avis affecte des cartes de l'Amirauté Nos 232*a*, 302, 306 à 315, 1134, 1147, 1149, 1150, 2171, 2516, 2666 et 2727, et la Liste des phares canadiens Nos 7*a*, 9*a*, 10, 13, 32, 36 et 50.

Les règles et règlements pour la gouverne de toutes les stations de signaux maritimes dans le fleuve et le golfe, sont ici reproduits pour la commodité des marins.

RÈGLES ET RÈGLEMENTS.

1. Les noms des navires qui exhibent leurs numéros distinctifs seront transmis à la presse locale (pour publication seulement) *gratis*.

2. Les dépêches envoyées à ou par des navires à distance convenable, par le Code International, soit par pavillons ou sémaphores, seront dûment transmises telles qu'adressées.

3. Les taux ordinaires de télégraphe seront exigés pour les dépêches entre stations ; mais il ne sera rien exiger pour signaler entre des stations de côte et des navires en mer.

4. Les dépêches pourront (sur demande spéciale) être livrées en chiffre, autrement elles seront transmises en langage ordinaire.

5. Les navires pourront obtenir des renseignements quant au vent, la température et la glace à toute station de signaux dans le fleuve et le golfe Saint-Laurent *gratis*.

6. Les stations sur les îles d'Anticosti, Amherst, Grosse-Ile et Saint-Paul, à Meat Cove et au Cap Ray, sont spécialement tenues au courant de l'état de la navigation dans le fleuve et le golfe pendant les mois d'avril et mai.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

AVIS DU GOUVERNEMENT.

AVIS AUX MARINS.

No. 68 de 1890.

CHANGEMENT DANS LE CARACTÈRE DU PHARE DE LA POINTE-AU-PÈRE.

Dès et après l'ouverture de la navigation au printemps de 1891, le caractère du feu à la Pointe-au-Père, sur la rive sud du fleuve Saint-Laurent en bas de Québec, sera changé de blanc fixe à blanc tournant, avec éclats atteignant leur plus grande intensité toutes les 20 secondes. L'appareil d'éclairage sera, comme à présent, catoptrique.

Le feu sera à 48 pieds au-dessus de la marque des hautes eaux et devrait être visible de tous les points à une distance de 12 milles en mer.

Nul autre avis de ce changement ne sera donné, sauf s'il survenait quelque chose qui empêcherait sa mise en opération à l'époque spécifiée.

Le présent avis offerte des cartes de l'Amirauté Nos. 309, 311, 312 et 2516, et la Liste des Phares et Signaux de brume canadiens No. 37.

WM. SMITH,
Sous-ministre de la Marine.

Ministère de la Marine,
Ottawa, Canada, 27 décembre 1890.

☞Tous les relèvements sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la Marine, Ottawa, Canada." 29-3

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

AVIS AUX MARINS.

No. 68 de 1890.

CHANGEMENT DANS LE CARACTÈRE DU PHARE DE LA POINTE-AU-PÈRE.

Dès et après l'ouverture de la navigation au printemps de 1891, le caractère du feu à la Pointe-au-Père, sur la rive sud du fleuve Saint-Laurent en bas de Québec, sera changé de blanc fixe à blanc tournant, avec éclats atteignant leur plus grande intensité toutes les 20 secondes. L'appareil d'éclairage sera, comme à présent, catoptrique.

Le feu sera à 48 pieds au-dessus de la marque des hautes eaux et devrait être visible de tous les points à une distance de 12 milles en mer.

Nul autre avis de ce changement ne sera donné, sauf s'il survenait quelque chose qui empêcherait sa mise en opération à l'époque spécifiée.

Le présent avis offerte des cartes de l'Amirauté Nos. 309, 311, 312 et 2516, et la Liste des Phares et Signaux de brume canadiens No. 37.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la Marine, Ottawa, Canada." 29-3

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

AVIS AUX MARINS.

No. 68 de 1890.

CHANGEMENT DANS LE CARACTÈRE DU PHARE DE LA POINTE-AU-PÈRE.

Dès et après l'ouverture de la navigation au printemps de 1891, le caractère du feu à la Pointe-au-Père, sur la rive sud du fleuve Saint-Laurent en bas de Québec, sera changé de blanc fixe à blanc tournant, avec éclats atteignant leur plus grande intensité toutes les 20 secondes. L'appareil d'éclairage sera, comme à présent, catoptrique.

Le feu sera à 48 pieds au-dessus de la marque des hautes eaux et devrait être visible de tous les points à une distance de 12 milles en mer.

Nul autre avis de ce changement ne sera donné, sauf s'il survenait quelque chose qui empêcherait sa mise en opération à l'époque spécifiée.

Le présent avis offerte des cartes de l'Amirauté Nos. 309, 311, 312 et 2516, et la Liste des Phares et Signaux de brume canadiens No. 37.

WM. SMITH,
Sous-ministre de la Marine.

Ministère de la Marine,
Ottawa, Canada, 27 décembre 1890.

☞Tous les relèvements sont magnétiques et sont donnés venant de la mer, les milles sont des milles marins, les hauteurs sont au-dessus des hautes eaux, et toutes les profondeurs sont à l'eau basse moyenne.

Les pilotes, capitaines et autres intéressés sont instamment priés d'envoyer tous renseignements quant aux dangers, changements pour faciliter la navigation, avis de nouvelles battures ou de nouveaux chenaux, erreurs dans les publications, ou autres faits touchant la navigation dans les eaux canadiennes, au "Sous-ministre de la Marine, Ottawa, Canada." 29-3

DEMANDES AU PARLEMENT.

Règles relatives aux avis de bills privés.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

Règles additionnelles de la Chambre des Communes concernant les bills privés.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

REPORT of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 7th February, 1891.

ON a Memorandum dated 5th February, 1891, from the Right Honourable the Minister of Railways and Canals, representing that under date the 25th January ultimo, the Chief Engineer of Canals has reported on the subject of the proposed construction of Canal works between Lakes St. Louis and St. Francis on the enlarged scale, (a navigable depth of 14 feet of water,) adopted in the general scheme for the St. Lawrence canals now being carried out.

The Minister further states that this report embodies the results of surveys and examinations conducted during a considerable period of time, specially during the past two years, and is accompanied by reports and other documents prepared by engineers of the Department of Railways and Canals dealing with the technical and financial aspects of the question, and that the conclusions arrived at by the Chief Engineer are as follows :—

1. That it is undesirable to attempt the enlargement of the existing canal, the Beauharnois, or to construct a new canal on the south shore ;

2. That the location of a new canal on the north shore is practicable, and would offer certain important features of advantage to vessels navigating the St. Lawrence ;

3. That of the locations of such North Shore canal, the one recently laid down by Mr. Munro, C.E., extending from the Cascades to Macdonald's Point, and shewn on the map accompanying his report, is the best. This, which he terms the Soulanges Canal, he advises should be adopted.

The Minister, on consideration of the whole matter, concurs in the views expressed by the Chief Engineer and recommends that they be adopted by the Government.

The Committee submit the above recommendation for Your Excellency's approval.

IL plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que l'arrêté en conseil du 18 décembre 1868, et autres qui le modifient, soient annulés à compter du 1er jour de juillet 1891, et remplacés par les règlements suivants :—

1. Tout droit prélevable sur le malt sera calculé sur le poids réel du malt tel que sorti du four.

2. Chaque fois qu'une augmentation par absorption s'opère et est constatée lors d'un inventaire annuel ou intermédiaire, ce surplus sera reporté au fonds et entreposé de la même manière que s'il avait été pris directement du four.

RAPPORT d'un comité de l'Honorable Conseil privé, approuvé par Son Excellence le Gouverneur général en conseil le 7 février 1891.

VU un mémoire en date du 5 février 1891, du Très-honorable ministre des Chemins de fer et Canaux, représentant que l'ingénieur en chef des canaux a fait rapport, en date du 25 janvier dernier, au sujet de la construction projetée de travaux de canalisation entre les lacs Saint-Louis et Saint-François, selon l'échelle agrandie (une profondeur d'eau navigable de 14 pieds) aujourd'hui adoptée pour les canaux du Saint-Laurent en général.

Le Ministre expose de plus que ce rapport renferme les résultats des relevés et examens exécutés pendant une période de temps considérable, plus particulièrement durant les deux dernières années, et est accompagné de rapports et autres documents préparés par des ingénieurs du ministère des Chemins de fer et Canaux, traitant des aspects technique et financier de la question, et que les conclusions auxquelles est arrivé l'ingénieur en chef sont les suivantes :—

1. Qu'il n'est pas désirable d'essayer l'agrandissement du canal actuel, le canal Beauharnois, ou de construire un nouveau canal sur la rive sud ;

2. Que l'emplacement d'un nouveau canal sur la rive nord est praticable, et offrirait certains points très avantageux aux navires fréquentant le Saint-Laurent ;

3. Que parmi les emplacements de ce canal de la rive nord, celui récemment tracé par M. Munro, I.C., partant des Cascades et allant jusqu'à la Pointe Macdonald, et indiqué sur la carte qui accompagne son rapport, est le meilleur. C'est ce dernier, appelé par lui le canal de Soulanges, qu'il conseille d'adopter.

Le Ministre, après considération de toute l'affaire, partage les vues exprimées par l'ingénieur en chef, et recommande qu'elles soient adoptées par le gouvernement.

Le comité soumet la recommandation qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

REPORT of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 7th February, 1891.

ON a Memorandum dated 5th February, 1891, from the Right Honourable the Minister of Railways and Canals, representing that under date the 25th January ultimo, the Chief Engineer of Canals has reported on the subject of the proposed construction of Canal works between Lakes St. Louis and St. Francis on the enlarged scale, (a navigable depth of 14 feet of water,) adopted in the general scheme for the St. Lawrence canals now being carried out.

The Minister further states that this report embodies the results of surveys and examinations conducted during a considerable period of time, specially during the past two years, and is accompanied by reports and other documents prepared by engineers of the Department of Railways and Canals dealing with the technical and financial aspects of the question, and that the conclusions arrived at by the Chief Engineer are as follows :—

1. That it is undesirable to attempt the enlargement of the existing canal, the Beauharnois, or to construct a new canal on the south shore ;

2. That the location of a new canal on the north shore is practicable, and would offer certain important features of advantage to vessels navigating the St. Lawrence ;

3. That of the locations of such North Shore canal, the one recently laid down by Mr. Munro, C.E., extending from the Cascades to Macdonald's Point, and shewn on the map accompanying his report, is the best. This, which he terms the Soulanges Canal, he advises should be adopted.

The Minister, on consideration of the whole matter, concurs in the views expressed by the Chief Engineer and recommends that they be adopted by the Government.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
33-4 Clerk, Privy Council.

ORDRES EN CONSEIL.

HOTEL DU GOUVERNEMENT A OTTAWA.

Samedi, le 7e jour de février 1891.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'ordonner que l'arrêté en conseil du 18 décembre 1868, et autres qui le modifient, soient annulés à compter du 1er jour de juillet 1891, et remplacés par les règlements suivants :—

1. Tout droit prélevable sur le malt sera calculé sur le poids réel du malt tel que sorti du four.

2. Chaque fois qu'une augmentation par absorption s'opère et est constatée lors d'un inventaire annuel ou intermédiaire, ce surplus sera reporté au fonds et entreposé de la même manière que s'il avait été pris directement du four.

3. A la fin de chaque exercice le ministère pourra rembourser à chaque porteur de licence comme malteur, brasseur ou distillateur, une somme égale à 5 p.c. du droit payé sur le malt déclaré par lui et sorti de l'entrepôt pour consommation pendant le dit exercice.

JOHN J. McGEE,
33–4 Greffier du Conseil privé.

RAPPORT d'un comité de l'Honorable Conseil privé, approuvé par Son Excellence le Gouverneur général en conseil le 7 février 1891.

VU un mémoire en date du 5 février 1891, du Très-honorable ministre des Chemins de fer et Canaux, représentant que l'ingénieur en chef des canaux a fait rapport, en date du 25 janvier dernier, au sujet de la construction projetée de travaux de canalisation entre les lacs Saint-Louis et Saint-François, selon l'échelle agrandie (une profondeur d'eau navigable de 14 pieds) aujourd'hui adoptée pour les canaux du Saint-Laurent en général.

Le Ministre expose de plus que ce rapport renferme les résultats des relevés et examens exécutés pendant une période de temps considérable, plus particulièrement durant les deux dernières années, et est accompagné de rapports et autres documents préparés par des ingénieurs du ministère des Chemins de fer et Canaux, traitant des aspects technique et financier de la question, et que les conclusions auxquelles est arrivé l'ingénieur en chef sont les suivantes :—

1. Qu'il n'est pas désirable d'essayer l'agrandissement du canal actuel, le canal Beauharnois, ou de construire un nouveau canal sur la rive sud ;

2. Que l'emplacement d'un nouveau canal sur la rive nord est praticable, et offrirait certains points très avantageux aux navires fréquentant le Saint-Laurent;

3. Que parmi les emplacements de ce canal de la rive nord, celui récemment tracé par M. Munro, I.C., partant des Cascades et allant jusqu'à la Pointe Macdonald, et indiqué sur la carte qui accompagne son rapport, est le meilleur. C'est ce dernier, appelé par lui le canal de Soulanges, qu'il conseille d'adopter.

Le Ministre, après considération de toute l'affaire, partage les vues exprimées par l'ingénieur en chef, et recommande qu'elles soient adoptées par le gouvernement.

Le comité soumet la recommandation qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
33–4 Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression.

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant trois mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.
